## Circular No. 13, Series of 2019

Subject: **Super Successful Printing South China 2019**

To: **All PIAP Members**

Dear Fellow Printers & Members,

I am pleased to report that the PIAP delegation just came back from a very successful **Printing South China 2019** show held last March 3-6, 2019.

Each participant needed to pay only US\$240.00 for the plane fare, which was exceptionally cheap! The following were taken care of by the organizer Ad Sales:

- 1) Free accommodation at 5-Star Royal Grand Hotel
- 2) Free shuttle service from airport to hotel; and from hotel to airport
- 3) Free shuttle service from hotel to exhibition site; and from exhibition site back to hotel
- 4) Free lunch for 4 days
- 5) Free show catalog
- 6) Free use of VIP lounge with Free VIP entrance badge
- 7) Free souvenir item

The show was so huge because it occupied ten (10) halls, with a 4-in-1 show, composed of **Printing South China 2019, Sino Label 2019, Sino Pack 2019** and **Packinno 2019**.

Many of our participants were able to buy their expensive replacement parts at a fraction of its original price. Everybody came home happy with overweight luggage of spare parts they bought, which made the trip worthwhile.

Our next important foreign trip will be the biggest printing show this year, **Print China 2019** on April 9-13, 2019 at the Guangdong Modern International Exhibition Center in Dongguan, China. While Printing South China 2019 show was composed of local China suppliers, Print China 2019 will include all the internationally well-known branded names. Occupying 14 giant halls, this is a show that all printers worth his salt are looking forward to attend.

Please make your confirmed reservation immediately to ensure your inclusion. You have only a few days to decide. We will close the registration by March 11, 2019, afterwards we are required by the airlines to pay for the confirmed seats we reserved.

There are several groups trying also to organize their trips to Print China 2019 but they cannot confirm their booking with the airlines and their prices are much more expensive by hundreds of dollars.

**So please hurry and call the PIAP secretariat now before the close of registration.**

Very truly yours,

**JOHN L. CHOA**  
Secretary General  
President Emeritus  
Chairman, ASEAN Integration  
and International Trade and  
Exhibition
