Circular No. 34, Series of 2018

Subject: **International Printing Shows Abroad**

To: **All PIAP Members**

Dear Fellow Printers & Members,

This year we have organized five (5) International Printing Shows abroad.

IGAS 2018 in Japan, **Print Technology 2018** in Malaysia, **KIPES 2018** in Seoul, Korea and **International 3D Printing Expo** in Gumi, Korea are all already closed.

The only International Printing Show that is still open is the **All in Print China 2018**, scheduled on October 24-28, 2018 at Shanghai, China. We have reserved with the travel agent only 50 slots, there is only a few left. So far, we have received more than 30 confirmed participants.

If you are interested to join this year's biggest Printing Show which is being organized by Messe Dusseldorf China, the same organizer of DRUPA, you must confirm your reservation immediately to ensure your inclusion. This will be done on a 'first come, first served' basis. We will close the reservation after we get 50 participants.

The Chinese Embassy is very strict in issuing the China Visa. Please confirm and apply early so that we can help you in securing your visa.

Very truly yours,

JOHN L. CHOA
Secretary General
President Emeritus
Chairman, ASEAN Integration and
International Trade and Exhibition
