Dear Fellow Printers and Exhibitors,

We have set the limit to 150 participants only and as of today we have already reached 80% of our reservation. Our convention this year will be one of the best which will set the tone for the future direction of the printing industry in the Philippines.

I am attaching herewith Circular no. 26, which described in details the two-day activities of our National Printers Convention which is held once every two years. We are requesting all printers to attend this very interesting and exciting convention with a whole day plant tours to three of the most progressive printing establishments in the Philippines and sumptuous lunch will be provided at the Mandarin Sky Seafood Restaurant.

Our printers will learn a lot about the latest trend and technological developments in printing, especially on the field of Digital and 3D Printing.
