## Circular No. 26, Series of 2019

Subject: **19<sup>th</sup> National Printers Convention is all set**

To: All PIAP Members

Dear Fellow Printers and Members

It is my pleasure to announce that our forthcoming **19<sup>th</sup> National Printers Convention** is scheduled on September 30 - October 1, 2019. The first day will be held at the Heritage Hotel Manila, along Roxas Blvd. corner EDSA, Pasay City. The second day will be a full day plant tour in an air conditioned limousine bus.

The registration fee will be Php 4,000 per participant which includes two lunches, one dinner and two snacks plus the plant tour. During the convention, there will be discussions on four important subjects about our printing industry, afterwards, the plenary session will be held. We will also award the winners of our PRINT EXCELLENCE 2019 Contest.

The four topics to be discussed extensively are:

- (A) How to Increase Productivity and Efficiency in our Production Workflow
- (B) How to Secure Easy Loans to Finance the Purchase of your Printing Machines for Expansion
- (C) Latest Development in Digital Printing, the Latest and Very Exciting Technology
- (D) How to Properly Handle Waste Management as a Requirement of Law

The second day of our convention will be a whole day plant tour at three of our most progressive printing plants which are all comparable, if not better, than the printing establishments of our more progressive Asia neighbours.

1. The first printing plant we will visit is the **The Artland Printer Ent., Inc.**, where the printers will learn how the offset process printing is properly managed for the commercial, packaging and publishing businesses.
2. The second printing plant we will visit will be the **Hope Adhesive Paper Products**, one of the oldest and most progressive printer engaged in labels and stickers printing, and observe how sticker paper are manufactured.
3. The third printing plant we will visit will be the most interesting and exciting of our plants tours.

**Forms International**, who started as a continuous form printer, has now developed and expanded into one of the most progressive and dynamic printing establishment. They are now a leading printer in Digital Printing, offset process printing, large format printing and continuous form printing.

This is the first time Forms International will open its door to their fellow printers and show how to run and manage a printing business with super efficiency.

Forms International will host a sumptuous lauriat lunch for the PIAP delegates at one of the best Chinese restaurants at Mandarin Sky.

During these tours, the delegates will witness and learn how different printing operations are run and managed efficiently to help them become progressive printing companies.

Please take advantage of this package which was painstakingly assembled in order to provide our members updates about the latest technological advancement in practically all aspects of our printing industry.

We have prepared a maximum of only 150 delegates. The cost of the two-day convention is Php 6,000, but PIAP will subsidize the amount of Php 2,000 per delegate including the transport during the plants tour. **The delegate pays only Php 4,000!**

The registration will be closed after the 150 participants have been filled up. The reservation will be on a first come, first served basis.

It has been very difficult to prepare and assemble such a wonderful and fantastic package for our members, but we are very happy to be able do it as part of our quality services for our members.

I hope to see you all at our 19<sup>th</sup> National Printers Convention on September 30 - October 1, 2019.

Very truly yours,

**JOHN L. CHOA**  
Secretary General  
President Emeritus
