## Circular No. 60, Series of 2017

Subject: **Latest Update for IPEX 2017**

To: **All PIAP Members:**

Dear Fellow Printers & Members,

I am pleased to provide you with the latest update on the forthcoming trip to **IPEX 2017**, our last big foreign international trip this year. This is after **PRINT 17 USA** at McCormick Place in Chicago, Illinois, USA where 100% of our participants were able to secure their 10-year multiple entry visas because of our connection with both the organizer and the US Embassy.

Aside from the benefits of attending the most prestigious and largest running printing exhibition in England and the opportunity to tour Birmingham, London and Harvard University, which in itself is a major tourist attraction, we will have the chance to attend the **PRINT IN ACTION** conference for free! World class speakers who are experts in printing will share their knowledge on the latest and future trends of the printing industry. Many new innovative printing products will also be launched.

One of the most awaited speakers is **Francois Martin**, an independent Senior Graphic Industry Consultant and Digital Print Evangelist.

If you are interested to join this interesting and exciting trip, please confirm immediately with the PIAP secretariat to ensure your inclusion. Only a few slots are available.

Very truly yours,

**JOHN L. CHOA**  
Secretary General  
President Emeritus
